Notes on divisions

For more details concerning competition requirements, see WKSA Standard Tournament rules, revised 2008. Etiquette is very important within Kuk Sool Won and competitors' manners and attitude will affect the judge's final score.

Stripe Belts are permitted and will compete in their appropriate RANK division (e.g. Yellow Stripe Belt at WHITE BELT division, Blue Stripe Belt at YELLOW BELT division, etc). The same rule applies for any extra stripes or tabs on the WKSA official ranking belts

Techniques Empty hand techniques to be performed with a partner before a panel of judges. The partner must fall correctly and falling is mandatory. Ask your instructor for the rank & age requirements for partnering

Sword & Staff Black Belts may enter both Staff and Sword divisions. If you enter both, they will be considered two separate divisions. No live (sharp) blades. Only the WKSA approved sword can be used.

Adults Black Belt competitors required to wear the official Kuk Sool General's uniform for All Weapons Divisions.

Divisions

Please be aware that there are no longer predecided age groups for competitors. Age groups will be selected in a manner that creates a fair and even split of competitors in each division, this entirely depends on numbers on the day of the tournament (this also applies to the number of grand champion trophies that are available). The split could be by age, gender (or both) and there must be at least 3 competitors to create a competition. Conversely, very large divisions could be split into multiple groups.

With this in mind it is imperative that the competitors/parents stay alert for their correct ring assignment when the time comes. Ring assignments will be announced over the PA system and also displayed on the projector screen(s) (where available).

Medals are award for 1st-4th place and when there are large groups, multiple medals 2nd-4th medals could be awarded (there will only ever be one 1st place awarded).

In the event of less than 4 competitors in a division, 1st, 2nd, 3rd and 4th medals are not a guarantee. Medals will be awarded accordingly based on their overall score against the 'gold standard' scoring system.

Sparring

Contact in WKSA sparring competitions is classed as 'light to no contact'. This means that it is possible to score a point when no contact has been made if the judges deem the competitor could have made contact but had the control not to. Scoring zones are to the front of the body and on the padded areas around the front and sides of the head. Strikes to the face, back of the head, arms, back and below the belt are not scored.

The judge(s) will shout 'break' when something is seen and the centre judge will then award a point if two out of the three judges agree on the location (head, body) and technique (punch, kick) that was thrown (kicks to the head count as two points).

Depending on the number of competitors in the division, byes will be chosen at random except where there are only three competitors, in this case a 'round robin' will take place. Judges will make every effort to ensure students from the same school don't spar against each other in the early rounds.

Breaking

Breaking competition is for adults (over 18) only. For JKN's the high board must be at a minimum of face height (top of the board chin height for 40+) and the low board must be at a maximum of the top of the board at knee height.

Number of boards broken is the first criteria for competitor placings. In the event of the same number of boards broken, style and execution are then taken into consideration.

Techniques

1. The partner can be only one rank above or below the competitor (e.g. white can partner yellow but not blue, red can partner blue or brown but not DBN)
2. Black belts cannot fall for DBN's or any ranks below them (e.g. KSN cannot fall for JKN)
3. Adults cannot partner children under 12
4. There must be no more than 6 inches height difference when an adult partners a youth (13-17)

Weapons

Only WKSA approved weapons are permitted for competition. The judges will check this before starting and ensure that weapons are provided in the case that the competitor does not have what is required. Dropping a weapon is an automatic disqualification.

Spectators

Please keep in mind that the judges of this tournament are unpaid WKSA practitioners. Their job is to endeavour to maintain a high quality of judging and the smooth running of their respective ring.

However, we do understand that despite their best efforts issues can arise. If there is something that you feel needs to be addressed, please contact one of the tournament officials who are on hand around the venue. Their job is to deal with any issues that may arise.

Thank you for your cooperation on this matter.
